Reliable tool for industrial tasks.

The Ledlenser i7R is a high-strength rechargeable torch for industrial applications. Tough and compact it will fit the hand, pocket or case of any engineer and it even features a Speed Focus with Fast Lock. For more precision it uses Advanced Focus System optics to keep the light consistent from flood to spot beam with an impressive range up to 180 metres. There are two light settings: Power or Low Power, providing everything from high-intensity illumination down to a softer light useful for reading maps or viewing diagrams.

Performance optimized:

Up to 240 meters beam distance with up to 420 lumen of luminous flux.

Long operating time:

Up to 15 hours in the lowest setting.

Very convenient charging:

Quickly to hand with the Floating Charge System.

Simple operation:

3 light functions, 1 end cap switch

For a long lifetime:

Robust metal housing and high-quality gold.

- IPX4** - Protection against water splashing from any direction
- End Cap Switch** - a switch on the end of the light (end cap)

Advanced Focus System (AFS) Technology - the patented Advanced Focus System with reflector lense enables efficient, tailored lighting

A pocket-sized multi-tool with spring-action pliers, a saw, two knife blades, openers and more.

This handy pocket-sized tool has all the features you need to get your project done, at a fraction of the cost. The handy, outside-accessible blades mean you can open the knife with just one hand and rounded handles make getting a grip around their all-new, spring-action jaws easy and very comfortable. Stainless steel and backed by a 25-year warranty; first choice, or handy second backup, you can't beat the value of the Sidekick.

- 1: Spring-action Needlenose Pliers
- 2: Spring-action Regular Pliers
- 3: Spring-action Wire Cutters
- 4: Wire Stripper
- 5: 420HC Knife
- 6: 420HC Serrated Knife
- 7: Saw
- 8: Ruler (1.5 in | 3.8 cm)
- 9: Can Opener
- 10: Bottle Opener
- 11: Wood/Metal File
