

SYDNEY'S SITE SUPPLIES SPECIALIST

YOUR TRUSTED BUILDING & HARDWARE SUPPLIER SPECIALIST IN SYDNEY

At Timberfix, we understand the importance of service

WE DELIVER CONSTRUCTION SUPPLIES EXACTLY WHEN YOU NEED THEM

Timberfix supplies fasteners, hardware and site supplies directly to construction sites and industry daily.

In the construction industry, time is of the essence. From the delivery of the supplies to the hours you put into the build, every aspect is carefully planned out to ensure the timely completion of your project.

You need a supplier who is fast, reliable and on-time so that you can keep your project on track. Timberfix is your supply solution.

Internal carriers handle all of our deliveries. We only hire highly experienced, professional drivers, and use our own fleet and equipment to bring the supplies directly to your site.

We rarely use a third party courier within the Sydney metro area. This ensures that your construction supplies arrive on-time and handled with the utmost care. All of our drivers are friendly, professional and punctual.

TOP-TIER FASTENERS FOR CONSTRUCTION

Timberfix specialises in top-tier fasteners, ideal for construction and engineering applications. As one of the most trusted stainless steel fasteners suppliers in the region, we provide our clients with high-quality products, delivered in a timely manner, directly to your site.

We strive to make your experience with us as convenient as possible. Our large stocks, product knowledge and fast on-site service, can minimise costly downtime on your site.

FAST, ON-TIME SHIPPING

We ship throughout Sydney, Blue Mountains and New South Wales. We offer Next Day Delivery on orders made before 5pm AEST. Please note, Next Day Delivery only available in the Sydney Metro Area.

ABOUT TIMBERFIX

Timberfix is a family business of 3rd generation builders who are passionate about construction. What began as an idea amongst contractors has transformed into a supply business with a strong presence in Sydney. We pride ourselves on our knowledge of the industry, building our reputation as one of the most trusted resellers of high-quality construction and hardware supplies across Australia.

Construction supplies are at the heart of our business. We are a supplier of stainless steel, galvanised and zinc fasteners, which include nuts, bolts and nails. We also carry a wide range of adhesives, epoxy products, degreasers, masonry anchors and safety signage, all of which are designed to make construction processes faster and easier. We know the market's demands and ensure our online construction products meet your requirements.

Timberfix understands service. Highly flexible and adaptable, our team offers excellent customer care and are more than happy to help you with your construction needs. We can provide advice on the most suitable construction solutions so you can make informed purchasing decisions. We are also known for our quick shipping times to customers in Sydney as well as other areas in NSW, making sure you have what you need, when you need it.

Top-quality products, great customer service and fast delivery, all at competitive rates. If you have enquiries and other concerns, we have a hard-working and helpful staff who will be more than willing to assist you. Make Timberfix your partner in construction today.
